

MIRA COSTA HIGH SCHOOL ORCHESTRA
BOOSTER CLUB

2018-19 Orchestra Donation Form

The Mira Costa Orchestra Program is strong and growing, with a reputation as one of the premier high school programs in the state of California. Led by Director; Peter Park, who is a much sought after clinician, presenter, and guest conductor throughout California, our young musicians enjoy a robust curriculum augmented by a variety of enriching experiences, requiring much attention and effort each and every year from students, parents and faculty.

To continue to provide for the quality music education of our young musicians, your contributions are vital.

Families defray nearly all costs associated with providing for the program; including, the purchase of new instruments, music scores, licensing, coaching fees, concert costs, festival fees, Financial Aide and other incidentals. We do this via our **“fair share donation,”** a donation amount based on anticipated costs for the year. This year, the **“fair share donation”** amount is **\$275** per string musician and **\$175** per wind/percussion musician. If your family can donate more, please do!

For those who are able to donate, we thank you in advance for your generous support.
