

Dear Business Owner,

Did you know that the Mira Costa High School Music Program won a GRAMMY in 2014? Did you also know that this amazing organization has been honored with an invitation to perform at Carnegie Hall in front of 1500 patrons as part of the Distinguished Concerts International New York Series.

To get from Costa to Carnegie with three band ensembles and two orchestras requires everyone working together! Students are practicing and parents are organizing, but travel for a group this size is very costly. Instrument transportation and rental alone for both band and orchestra are \$26,000, and we are also offering financial assistance to some students who are unable to fully afford the trip.

In order to raise funds to get from Costa to Carnegie, we are holding an Evening of Eclectic Ensembles on Friday, March 11th at the Mira Costa Cafeteria. Our student musicians will perform in small ensembles while we will enjoy a taco dinner and hold a Rockin' Raffle. We are soliciting our local businesses for donations to help make our raffle a huge success, and would appreciate your business being a part of this fun evening. We will advertise your business at the raffle and all contributions are tax deductible: **Tax ID# 02-0603467**.

Thank you so much for your help, and we are excited to have you join our journey from costa2carnegie! If you would like to come to the Evening of Eclectic Ensembles on March 11th, please let us know. We would love to have you!

Kind Regards,
