

COSTA 2 CARNEGIE 2016

Whiter teeth get you noticed - and our kids to Carnegie Hall!

If you've been thinking about getting your teeth whitened - here's some extra incentive! **During the month of November**, Manhattan Beach Orthodontics will donate 50% (of the full price of treatment) to Mira Costa's "Costa2Carnegie" campaign (which is helping raise money to defray the costs for our GRAMMY Award-winning band and orchestra program to perform at Carnegie Hall in New York City on May 29, 2016!

Our young musicians will be part of the Distinguished Concerts International New York, 2016 Concert Series. This prestigious series features numerous world and US premieres, world-class musicians at New York's most prestigious venues, and musicians and singers from across America and the globe. Our students will be performing a solo concert to over 1500 patrons. We will be traveling with our 5 concert ensembles, which is comprised of over 260 musicians!

With this type of endeavor and once in a lifetime opportunity, we are asking our South Bay Community, friends and family for their financial support. It will take a village to send our talented students to Carnegie Hall!

Special thanks to Dr. Maryam Bakhtiyari and her staff for supporting Costa2Carnegie, with this offer - good only during the month of November.

ALL APPOINTMENTS MUST BE MADE 24 HOURS IN ADVANCE. PLEASE MENTION COSTA2CARNEGIE WHEN YOU BOOK.
